Welch Allyn Set Me Up Program Details

Get rewarded for purchasing the best!

The Welch Allyn Set Me Up program rewards you for including a wide range of Welch Allyn products in your new facility. The more you buy, the more rewards you earn towards additional products. It's that simple.

Here's how the program works:

- 

1. Meet with your local Welch Allyn sales representative.
He/she will give you a demonstration of the full line of Welch Allyn products based upon your specific practice/facility needs. Your distributor can help you arrange the demo.
- 

2. Visit www.welchallyn.com/setmeup.
Using the Set Me Up rewards calculator, determine the rewards you will earn for the products you wish to purchase.
- 

3. Purchase the Set Me Up program products.
Purchase from the distributor who introduced you to the program.
- 

4. Return to the Set Me Up rewards calculator.
Use it to help outfit your facility upon receipt of your invoice.
- 

5. Complete the redemption form.
Print and submit it to Welch Allyn along with a copy of your invoice.
- 

6. Get your rewards.
Use redemption credits to purchase additional Welch Allyn products. Products ship within 4-6 weeks after receipt of the order that claims the redemption credit. **It's that easy.**

Set Me Up program qualifications:

- Must purchase a minimum of three Welch Allyn Integrated Diagnostic Wall Systems (including co-branded and/or LED models) or three Desk Sets with MacroView™ Otoscopes.
- Additionally, must purchase at least one stand-alone or integrated thermometry product.
- This program cannot be combined with any other promotion, offer, coupon, enhanced discount or special pricing arrangement.
- Must purchase through the distributor who introduced you to Set Me Up.

For questions, contact your local distributor sales representative or a Welch Allyn representative at 1.800.535.6663.
