Dear Valued Customer,

I am writing to inform you that Baxter will discontinue production of several of our Welch Allyn® Physical Assessment products and configurations as of May 1, 2023.

As previously announced, Baxter is excited about the 2021 launch of new enhanced configurations featuring the Welch Allyn PanOptic™ Plus Ophthalmoscope and MacroView® Plus Otoscope. To learn more, please visit our website at [www.hillrom.com/physicalexam](http://www.hillrom.com/physicalexam).

Please see the following table for the list of affected part numbers, and the new recommended replacement part number.

If you have purchased any of the components or configurations that are affected, or plan to make a purchase before end of their production, be assured we are considering your needs by providing support for up to five (5) years or as long as parts and components are available.
